

Acupressure Points on Hands

and Everything You Need to Know About
"Hand Reflexology"

Hand Pressure Points Chart

Michal Rosen-Zvi

Hand Pressure Points Chart:

Standard Acupuncture Nomenclature, 1993 Now in its second edition Standard Acupuncture Nomenclature has been extensively revised following a number of consultations with experts representing all the major traditions of acupuncture The nomenclature covers the 361 classical acupuncture points organized according to the fourteen meridians Each entry gives the standardized name of the point in its three elements an alphanumeric code derived from the English language translation of the meridian name the Chinese phonetic alphabet Pinyin name and the Han Chinese character The original form of the writing is shown first followed by a simplified form of the character Each entry also provides a brief comment on the point explaining the meaning of the Han character and the significance of the point's location Use of the nomenclature is facilitated by the inclusion of two indexes The first lists the equivalent names and code names of the acupuncture points as used in English French Japanese Korean and Vietnamese The second lists the Han characters for the 361 points

Hand Reflexology & Acupressure Chen Feisong, Gai Guozhong, 2020-01-14 Though practices like acupuncture have become popular in the West over the last few decades they have been a part of Traditional Chinese Medicine for thousands of years Hand reflexology and acupressure are two techniques that can achieve similar results to more complicated practices like acupuncture but can be done at home on yourself without any tools This book acts as a beginner's guide to these pressure based practices Through illustrations and easy to understand language readers can learn a variety of useful pressure points how to properly utilize them and daily care that can be done to address certain health concerns Through recent studies hand reflexology and acupressure have been shown to help with a variety of issues including Nausea Stress tension and anxiety Insomnia Headaches Chronic pain Digestive issues Muscle and joint injury The safe reliable techniques outlined in this book are easy for anyone to master and importantly can be used anywhere

Hand Reflexology Kristine Walker, 2002-05-30 Hand reflexology is now an essential part of reflexology practitioner courses This book takes the student through the whole treatment from taking details to follow up homework for the client
